Professional and Flexible

With honesty, integrity and transparency at the heart of our beliefs, we understand that every funeral is unique. The very personal nature of bereavement dictates that circumstances will vary. We are here to guide you through the options and choices available to you. With our vast experience and empathetic approach, we have been helping families in the local area for over 100 years.

Test Valley Crematorium, Romsey

Our professional service charge includes the following:

Natural Coffins

Bamboo

Handcrafted by skillfully interlacing strands of dried bamboo wrapped around a strong rattan frame. Bamboo is one of the fastest growing plants on Earth. Available in both curved end and traditional shape, the interior is fully fitted with a natural lining.

£725.00

Banana Leaf

Woven from yarns of golden leaf of the banana plant, these attractive coffins are finished with rope handles. Leaves that would otherwise be disposed of take part in a renewable cycle which is good for the environment. Available in both curved end and traditional shape, the interior is fully fitted with a natural lining.

£725.00

Cane

Handcrafted using woven cane, this coffin holds a beautiful off white appearance. Rattan, the core material of the cane, grows in the forests of South East Asia and is an extremely renewable material. Available in both curved end and traditional shape, the interior is fully fitted with a natural lining.

£725.00

Wicker

Chestnut coloured natural rattan is woven entirely by hand using traditional weaving techniques. The rattan is harvested from the forests of South East Asia and is an extremely renewable material. Available in both curved end and traditional shape, the interior is fully fitted with a natural lining.

£725.00

Somerset Willow

Entirely hand crafted from locally grown willow these coffins are unmatched in quality and appearance. Using either weatherbeaten gold or buff willow each coffin can be tailored with a choice of handles and hand dyed bands. Harvested willow grows back to its original height in a year making it the perfect renewable material. Available in both curved end and traditional shape, the interior is fully fitted with a natural lining.

£985.00

Alternative Coffins

Life Art

A modern take on environmentally friendly coffins, these coffins are manufactured using Enviroboard which is made from recovered and recycled wood fibres. Using up to 80% fewer trees and producing upto 87% less Greenhouse Gas Emissions when cremated than tradition coffin materials. Each coffin is fitted with a natural wooden handle and fully lined. These are a real alternative to the traditional coffin.
